FOOD BOOTHS

We are asking every ministry to sign up for a food booth. You may team up with another ministry if volunteer size is an issue.

All ministries will be responsible for their own booth. All proceeds will benefit the Church, and all ministries will be able to advertise at their own booth.

To comply with state law, all ministries that handle food must have a food handler certificate.

We will be hosting a food handler & food service manager certification course at St. Francis, there is also an online option for those who cannot attend the class.

Any questions? Please feel free to contact our Communications Coordinator, Candace Bermender at cbermender@stfoafrisco.org!
